

## Money Management

*Be sure to return this form to SOWA by June 30<sup>th</sup>, 2018*

Athletes will be experiencing many things for a week. They will see, do and be exposed to many things that may require money for them to enjoy.

While SOWA is taking care of each member's travel, accommodations and meals, SOWA is not responsible for the purchase of merchandise and/or activities outside of the games for athletes.

➤ How much should each athlete bring?

It is hard to say. This is really a decision that each athlete and family will have to make based on what is feasible for them.

➤ **What will athletes be exposed to while at National Games?**

- Concession stands
- Possible opportunities to sight see (tours and events) in Seattle with their team
- Souvenirs
